**EASTERN  
NEW YORK SOCIETY OF  
LAND SURVEYORS INC.**

REPLY ADDRESS:

ANNUAL REPORT  
September 9, 1964

As you have heard from our speaker, The year just finished has been one of tremendous growth of the organization of Land Surveyors.

At the last annual meeting the Board of Directors selected President Vogel as the man to guide us throughout the following year. It was under his leadership that the following was accomplished:

- 1-Incorporation of this organization was achieved-- thereby protecting not only the officers but all members thereof.
- 2-Co-sponsorship along with Nassau-Suffolk Civil Engineers, Inc. of the Fifth Annual Statewide Conference of Land Surveyors held in Albany. This event was an enormous success as a conference under the very capable Co-Chairmanship of Vice-President Boutelle and Mr. Donald H. Belford, Jr., our distinguished guest tonight.
- 3-Out of this conference was formed the New York State Association of Professional Land Surveyors, Inc. having at least ten local associations affiliated with two more possible.
- 4-Participation in the promotion of various legislation affecting our profession.
- 5-Information and education program relating to the activities of organized labor in the field of surveying locally.
- 6-Participation in a State wide effort to obtain a re-evaluation of Dr. Brind's ruling regarding the design of subdivisions by Land Surveyors.

We had the additional benefits of good speakers, good fellowship, and educational exchange of information and ideas among ourselves.

While discussing the past year, let's not forget to mention the loss of our Charter President Ralph G. Champagne and also member John F. Donahue. At the same time, let's give thanks that we can have with us tonight, after illness this summer, our only Honorary Member, Mr. Lester C. Higbee, of W.&LE Gurley who so generously assisted us during our initial efforts.

Let us all hope for and strive to achieve for the coming year not only to continue this good record but to improve it.
