President's Report:

NYSAPLS Concerns -

The next NYSAPLS Board of Directors meeting will be held March 15 - 16, 1991 at the Century House in Latham. A Code of Practice workshop is scheduled between 1:00 and 5:00 P.M. on Friday, March 15. Please notify Christian P. Momrow or an Eastern Director with any input before this matter is brought to a vote at a future NYSAPLS meeting. President Allen received a letter from Genesee Valley stating that many questions still need to be answered before any action is taken on the Code of Practice.

Mid-Hudson regional will be forming a committee to gather information concerning cases where land surveyors have been denied their right, by public officials, to provide services and/or practice under 7208 n exemption. Please forward any information on this type of case to Eastern.

Raymond A. Koch is chairing a committee that will gather data on affirmative title insurance. Any information that can be provided will be helpful.

The NSPS scholarship award for 1992 will be in the name of Kenneth Kratz.
