**SECRETARY'S REPORT:** Motion to accept by Jody Lounsbury, second by Gilbert Van Guilder, carried.

**TREASURER'S REPORT:** Submitted for audit. Copy enclosed.

## PRESIDENT'S REPORT:

- The next NYSAPLS meeting will be July 14 at 1:00 in Long Island. The Long Island Association will be sponsoring a seminar at that time about protecting surveyors from law suits, NYSAPLS Benefits 2000 and Lyme Disease.  
- Lobby Day will be held Tuesday May 23. President Nelson and Tom Nesbitt discussed several survey issues with members of the legislature.

## COMMITTEE REPORTS:

**Membership:** One new associate membership application was received from Ralph Hill of OGS.

**Public Relations:** Home Show deposit of \$100 is due. The show will be held on February 3, 4, and 5, 2001. A discussion was held about how we might improve the booth. Perhaps some modern survey equipment. For the record Chris Momrow was involved in getting us started with the Home Show.

**Handbook Committee:** There is a need to keep them up-to-date. They are requested by people taking the L.S. examination as a resource. If anyone has information on data that needs to be updated, they should contact Jody Lounsbury. A list of Web Sites for access to information such as the Calibrated Baselines should be included. Some new books will be needed soon.

**Tabled/Old Business:** We have been asked to remember that issues going before O.P.D. or through council to O.P.D., like the surveyor doing less than full survey, be kept confidential.

Updated dues notices were received from NYSAPLS. The members with unpaid dues will be called by one of the board members.

**Program:** A discussion was held about possible future programs: NYSAPLS Benefits 2000, Ed Gifford of Gifford Abstract, a software presentation by Tom Atkinson that might be good for Sustaining Members Night and the Flood Zones Issue by DEC, possibly as a joint meeting with Northern.

**New Business:** An anonymous donation was received in memory of Chris Momrow. The donation will go towards the scholarship fund.

The Surveying Program at Alfred is going to be phased out.

Motion to adjourn made by Jody Lounsbury, seconded by Ray Liuzzo.  
Meeting adjourned @ 7:25 P.M.

Respectfully Submitted,  
Richard W. Bennett, L.S.

ENYSLS Secretary

The next Board of Directors meeting will be held at 6:00 P.M. on August 10, 2000 at Gil Van Guilder's office.
