## GENERAL MEMBERSHIP MEETING

Thursday, May 10, 2000

Century House, Route 9

Latham, NY

After a cocktail hour and dinner, John Connell of the Army Corp of Engineers presented the program for tonight's meeting. John spoke about recent changes to the Nationwide Wetland Permits and about the results of the SWWANK Case.

Following a short recess President Nelson called the meeting to order at 9:00 P.M.

**SECRETARY'S REPORT:** Written report was submitted. Motion to accept by William Darling, seconded by Charlie Hartnet. We are still looking for e-mail addresses for those who are still receiving the minutes by regular mail. Please E-mail the secretary at the address at the bottom of the minutes.

**TREASURER'S REPORT:** Bill La Pan reported on our current financial situation and submitted a written report. Copy enclosed.

### PRESIDENT'S REPORT:

- Jim Vianna and Ellen met with ten Legislators and their staff. Twenty-four NYSAPLS members met with forty legislators in all. The response was very positive, especially for the Continuing Education Bill. Efforts were made to the N-Exemption bill out of committee and up for a vote.
- The next NYSAPLS meeting will be next Friday, May 18 in Albany. All members are invited to attend. Comments on the proposed bill to amend the Education Law in relation to the practice of Land Surveying should be given to Ellen before the meeting.
- A thank you note was received from Bob Kratz of Paul Smiths Collage for hosting their students. The students had a good time and a positive experience.

### COMMITTEE REPORTS:

- **Continuing Education:** Chuck Lent reported that the committee is still looking to put on a seminar in the fall. The speaker, whom they hoped to get for railroad surveys, will not be available. They are still looking for suggestions.

- **Program:** The September meeting is scheduled to be held at Crossgates Restaurant with a program on the West Nile Virus. For the annual meeting in November we are looking at a past presidents night.

- **Legislative:** We are still working with the geologists on the wording of their bill. Check the Empire State Surveyor for proposed bills.
